Dear Richard:

I have a question regarding CID Permits through the LA Police Commission. The Hollywood Media District is holding their 17th Annual Stakeholders Meeting on September 28th, 2017. I was instructed by the donated venue to obtain a change of use permit. I have received sign off from LAFD and I was just informed by Investigator William Huang that we are required to obtain a CID One Night Public Dance Permit. I was very specific with the parameters of our event. Here is what we listed:

1. Hollywood Media District BID - 501.c4 Non profit organization - public benefit
2. Venue: At The P Address: 832 N. Cole Avenue, Hollywood, CA 90038
3. Date of Event: September 28, 2017
4. Time of Event: 5pm - 8:30pm
5. Title of Event: 17th Annual Stakeholders Meeting
6. Anticipated guests: 60
7. Valet Parking - Curbstand
8. Parking arrangement with private parking lot - TVC, Red Studios, Milk Studios
9. Purpose of Event: It is required under our contract with the City to hold an annual meeting with all of the Hollywood Stakeholders. This meeting is subject to the Brown Act and is open to all public to attend.
10. Attached is the LAFD sign off on site plan (Fire Inspector: Eugene Andrews Phone: 213-978-3653)
11. Serving beer and wine through caterer - As you like it catering (they hold the abc license)
12. Serving light dinner
13. 4 piece jazz combo - Perhaps he did not understand this music is strictly background NOT MEANT FOR DANCING.

Do we really need a CID ONE NIGHT PUBLIC DANCE PERMIT? It really seems ridiculous that an Annual Stakeholders Meeting with Elected Officials (O'Farrell, Ryu, Koretz, City Controller, Planning Commissioners, etc.... ) There is NO DANCING - its a agendized meeting (Brown Act) - No money being exchanged, it open to the public.

I really don't understand. Can you please advise or at least reconsider. If the 4 piece jazz combo is triggering the Permit - then I will remove them and just play music from my iPhone.

As always appreciate your assistance.

Regards,
